

Dear Sunset Beach Resident,

Please join us at our January 2nd Sunset Beach Community Association meeting. We will be discussing and voting on possibly having a Certified Farmer's Market. The proposal is to have the market on Thursday mornings between seven am and noon in the south parking lot near Second Street.

If the proposal is approved by the SBCA, the city of Huntington Beach will then go through the permit process to approve the application.

Any concerns and comments will be addressed at the January 2nd meeting.

Thank you,

Kevin Paulson
President, Sunset Beach Community Association
